RUPLASTICA

KEY BUSINESS AND COMMUNICATION PLATFORM FOR THE PLASTICS AND RUBBER INDUSTRY

For many years, international trade fair for plastics and rubber – **RUPLASTICA** – has been representing a unique tool for business development in the polymer industry.

It is the most relevant meeting point bringing together key industry players across the entire polymer market value chain from Russia, CIS, Europe and Asia to showcase innovations, discuss current trends and chart the course for the year ahead.

RUPLASTICA exhibition
is about innovations and technologies!

**MOULDS & DIES
SHAPING
CONTENT
AND FORM**

THE MAIN FOCUSES:

- Machinery and equipment for the plastics and rubber industries
- Machinery and equipment for waste management and plastics recycling
- Raw materials and auxiliaries
- Plastics and rubber products
- Services for the plastics and rubber industries
- Additive manufacturing

Ruplastica 2024 launches a die and mould tooling focused exposition for Russian and foreign suppliers, established masters of the industry and new entrants. An extensive business program with the participation of experts with practical experience in tool development and implementation is also expected.

WHY ATTEND?

1. ACCESS TO NEW MARKETS

Direct contacts with global and Russian manufacturers and suppliers of industrial products. Unlimited opportunities to enter Russian and CIS polymer market and attract potential clients.

2. EFFECTIVE BUSINESS COMMUNICATIONS

Created specifically for your key markets, Ruplastica is designed to generate fresh sales leads and contacts, showcase your business, product or brand.

3. MAXIMUM PROMOTION

A unique opportunity to present your products and services to more than 25,000 professional visitors and raise your profile within the key industry players.
